Declaration of Compliance with the REACH Directive

European Parliament Regulation (EU) No. 1907/2006 and advice dated 18th December 2006 on the Registration, Evaluation, Authorisation & restriction of Chemicals assessment (REACH)

G. Bopp + Co. AG is a Swiss producer of single and multiple layer wire meshes and of fabricated products using these meshes, manufactured to individual customer specifications, which according to REACH terminology count as commodities. As a "downstream user", we comply with the requirements of REACH for both our suppliers and our customers.

Based on available information from our suppliers to the best of our current knowledge we can make the following statements:

- Bopp products are supplied without restrictions in compliance with the requirements of REACH, pursuant to assessments carried out
- To the best of our current knowledge, Bopp products do not emit any substances
- To the best of our current knowledge, Bopp products do not contain any SVHC (Substances of Very High Concern) which are found on the Candidate List dated February 4th, 2026, 253 SVHC

In the event of any changes, we will keep you informed in line with Article 33 and, if necessary, liaise with you to agree modifications.

Best regards

G. Bopp + Co. AG
